Part 4:

Treatment of Fees and Priority Claims

4.1 General.

Trustee's fees and all allowed priority claims, including Domestic Support Obligations other than those treated in Section 4.5, will be paid in full without postpetition interest.

4.2 Trustee's fees.

Trustee's fees are governed by statute and may change during the course of the case. The trustee shall compute the trustee's percentage fees and publish the prevailing rates on the court's website for the prior five years. It is incumbent upon the debtor(s)' attorney or debtor (if *pro se*) and the trustee to monitor any change in the percentage fees to insure that the plan is adequately funded.

4.3 Attorney's fees.

Attorney's fees are payable to Steidl & Steinberg, P.C.	. In addition to a retainer of \$1,	310.00 (of which \$500.00 was a
payment to reimburse costs advanced and/or a no-look costs depos	it) already paid by or on behalf of	the debtor, the amount of \$3,200.00 is
to be paid at the rate of \$200.00 per month. Including any reta	iner paid, a total of \$	n fees and costs reimbursement has beer
approved by the court to date, based on a combination of the	no-look fee and costs deposit a	nd previously approved application(s) fo
compensation above the no-look fee. An additional \$	will be sought through a fee applic	ation to be filed and approved before any
additional amount will be paid through the plan, and this plan conta	ains sufficient funding to pay that	additional amount, without diminishing the
amounts required to be paid under this plan to holders of allowed uns	secured claims.	
Check here if a no-look fee in the amount provided for in Local B	ankruptcy Rule 9020-7(c) is being	requested for services rendered to the

debtor(s) through participation in the bankruptcy court's Loss Mitigation Program (do not include the no-look fee in the total amount of compensation requested, above).

The provisions of Section 5.3 are available only if the utility provider has agreed to this treatment. These payments comprise a single monthly combined payment for postpetition utility services, any postpetition delinquencies, and unpaid security deposits. The claim payment will not change for the life of the plan. Should the utility obtain a court order authorizing a payment change, the debtor(s) will be required to file an amended plan. These payments may not resolve all of the postpetition claims of the utility. The utility may require additional funds from the debtor(s) after discharge.

The debtor(s) understand and agree(s) that the chapter 13 plan may be extended as necessary by the trustee (up to any period permitted by applicable law) to insure that the goals of the plan have been achieved.
